Student Loan Application Support — AeroCadet's Proprietary, Bank-Ready Loan Petition Package

★ The only company offering a dedicated bank-loan petition package designed specifically for aviation students

WHAT IS S.L.A.S.?

Banks want proof that they are lending to a capable, accepted student with a credible path to repayment. S.L.A.S. (Student Loan Application Support) is AeroCadet's proprietary petition package that gives your local bank exactly that proof — an official acceptance letter, a conditional employment offer, and a signed training/internship contract — bundled into one professional, verifiable dossier your bank's loan officer can act on with confidence.

WHAT'S INCLUDED (E-FORMAT, \$575 USD)

- **Official Program Acceptance Letter** — confirms your program, conditional internship & employment guarantees, with a QR code for instant online verification
- **Global Air (BVI) Inc. Conditional Employment Offer** — letter from AeroCadet's international ferry-pilot employer confirming intent to hire, subject to program completion
- **Flight Training & Internship Contract** — terms, cost, and conditional guarantees, serving as a loan petition on your behalf
- **Raich Aerospace Welcome Letter** — cover sheet for your training contract
- **Electronic Verification Student ID** — QR-coded ID for instant bank verification

OPTIONAL PRINTED PACKAGE (+\$150 USD, FedEx Delivered)

- All e-format documents professionally printed on official letterhead, with seals & signatures
- Aerocadet pro-pilot training lanyard + high-gloss presentation folder for your bank meeting
- Delivered via FedEx international express courier (3–7 business days)

WHY IT WORKS

- Settles a bank's core doubt: are you a legitimate, accepted, employable candidate?
- Doubles as a scholarship/sponsor petition for local philanthropists, businesses or government bodies
- Successfully used by multiple international students over the last 14 years!
- Non-refundable once approved — refunded in full if AeroCadet declines your application

ELIGIBILITY CRITERIA

- Strong command of English
- Certificate of secondary education (or higher)
- Fair-to-good academic matriculation scores
- Passing score on the online pilot aptitude assessment (one free retake if below average)
- Passing Airline Pilot employment interview
